Dear Friends and Families of Bonneville Elementary,

We hope you and your loved ones are safe and well. Please know we are thinking of you during this scary and uncertain time and we can't wait to see you all in person again soon.

This year has been a difficult one. The closure of our school because of the COVID-19 virus introduced us all to a ‘new normal.’ Unfortunately, it resulted in the canceling of our fundraising event, the FEST. We are sad not to be able to celebrate together in person this year but as they say, “The show must go on.” And in that spirit, we are asking you to continue to support our FEST through donations made to Bonneville.

We understand this is a time of uncertainty. We are sensitive to this and do not want to add to any stress. However, if you are able, we are asking for families, relatives, and friends of Bonneville to make a donation to keep these programs alive for the benefit of your children. In the past, the community has generously helped raise nearly $38,000 every year, helping us secure art and science for every child every week.

- Science teacher for all grades
- Core curriculum based science labs and projects for all grades
- Art teacher
- Creative curriculum-based art projects and art lessons
- Supplies for both arts and sciences

If you are able, please make a donation to the Bonneville FEST fund online at https://bonneville.slcschools.org/community/make-a-donation. Any amount is greatly appreciated! You may consider what you might spend at the actual FEST as your donation. We also request that you share this family and friends in lieu of our yearly “Friends of Art” Letters.

We appreciate all of you. We thank you in advance for your donation to ensure we continue to enrich the education of our Bonneville children. We look forward to the time when we can be back at school and seeing each other again.

Warm regards,
Mrs. Grisley and the Bonneville FEST Committee

About your donation:
Your charitable contribution is a tax-deductible, to the extent allowed by law, when you donate to the Salt Lake Education Foundation, a non-profit 501©(3) organization. If you have additional questions, please contact James Yapias, Salt Lake Education Foundation, at 801-578-8268.
