

# Bonneville Elementary

1145 South 1900 East

Bonneville.Schools.org T: (801) 584-2913

Greetings Bonneville Family and Friends,

Tomorrow September 8<sup>th</sup> will be our first day of distance learning. All of us are excited but a little scared. For the first two weeks please be patient with the school, your teacher, our students, and yourself. This is a relatively new experience for all of us and we will need to support each other. Our educational community will need to adapt and stay flexible for a while.

The office is now open for phone calls and emails, from 8:00 am to 4:00 pm. You can also contact me at any time at [Wayne.Culley@SLCSchools.org](mailto:Wayne.Culley@SLCSchools.org) or call my office phone at (801) 584-2913 (1600).

Please reach out to me at any time!

Wayne Culley, Principal of Bonneville Elementary

## Upcoming Events

**September 8<sup>th</sup>**

First Day of School

**September 9<sup>th</sup>**

Wednesday Zoom 6:00-7:00

## Where do you find info on COVID?

[District Metrics to Return to School!](#)

1. **COVID positive test rate of 5% or less in Salt Lake County**
2. **Fewer than 10 new COVID cases per 100,000 residents of Salt Lake County.**

**Websites to track metrics:**

1. [https://covidactnow.org/us/ut/county/salt\\_lake\\_county/?s=909180](https://covidactnow.org/us/ut/county/salt_lake_county/?s=909180)
2. <https://slco.org/health/COVID-19/data/>

**COVID-19 School Manual**

[https://coronavirus-download.utah.gov/School/COVID-19\\_School\\_Manual\\_FINAL.pdf](https://coronavirus-download.utah.gov/School/COVID-19_School_Manual_FINAL.pdf)

## **Extended Learning Opportunities:**

### **Alternative to Grade 4 Universal Assessment – Universal Choice**

As part of the Salt Lake City School District's ongoing commitment to meet the unique learning needs of its students, the Extended Learning Program (ELP) is available at all district elementary and middle schools in grades 4-8. Students who demonstrate high academic ability or potential are identified for this program. Students in grade 5-8 are currently identified for the Neighborhood Extended Learning Program (NELP).

At the beginning of this school year a universal assessment was planned for students in grade 4 and new-to-district grades 5 and 6. These students would be given the opportunity to take an online CogAT Screening, a cognitive abilities test to assess their ability to learn new tasks and solve complex problems.

We are unable to administer this assessment during remote learning, so the Extended Learning Program will use the following strategies to serve students who desire more depth, complexity, inquiry, and challenge, in addition to their general education studies.

In the absence of universal testing for grade 4 students, there will be a Canvas Course developed and maintained by NELP teachers that will give students a universal choice to participate with resources which will include more depth, complexity, and challenge.

Once students return to school buildings, the universal assessment will be administered and identified students will be offered NELP placement. This may not be available until grade 5.

NELP access for students in grade 4 in Remote Learning:

- All grade 4 students will have a NELP Course available to them in CANVAS.
  - All grade 4 students will be given opportunities to complete work on their own time through the 4th Grade Discovery Course
  - Any grade 4 student who chooses to participate in projects and lessons that are offered will have access to the NELP teacher. The homeroom classroom teacher will inform the NELP teacher that a student needs these resources.
  - Lessons and activities will be uploaded on student's Canvas Dashboard under 4th Grade Discovery.

## **A few quick Communications updates:**

1. The FAQ page on the district website is now live. Here is the link to the district FAQ page:
  - <https://www.slcschools.org/news/2020-21/school-restart-faq/>
2. Some of you have parents asking where they can find info on the COVID numbers we will use to determine when it's safe to start bringing students back into the classroom in person. You can find that info via the following two websites:
  - <https://slco.org/health/COVID-19/data/>
  - [https://covidactnow.org/us/ut/county/salt\\_lake\\_county?s=883171](https://covidactnow.org/us/ut/county/salt_lake_county?s=883171)

As a reminder, here are the metrics we're using:

- COVID positive test rate of 5% or less in Salt Lake County
- Fewer than 10 new COVID cases per 100,000 residents of Salt Lake County.

## **A list of other attachments:**

1. Bonneville Broadcast
2. Acadience Testing for September 21<sup>st</sup>. Flyer will be sent out later in the week by your classroom teacher.
3. Census Market Outreach Flyer
4. Communication Guidance for Educators
5. COVID 19 Parent Symptom Guide

6. Family Technical Support Resources
7. Map of the school with student entry points and flow.
8. Grab and go Meals
9. Parent Guide for Canvas
10. Resource List.
11. Log in to Zoom for the first time.

## COVID-19 Parent Symptom Guide

### Should your student come to school today?

Children who are sick should not go to school. **Parents are being asked to check their students for symptoms of Covid-19 every day before sending their student to school.** This quick assessment can help parents determine if their student should attend school or stay home and follow up with a healthcare professional.

Symptoms	
Does your child have any of these symptoms?	
<ul style="list-style-type: none"> <li>• Fever or temperature of 100.4° F (38° C) or higher. If you do not have a thermometer, check your child's skin to see if it feels warm or is red, or ask if they have chills or are sweaty.</li> <li>• Cough – If your child normally has a cough because of allergies or asthma, is this cough different than normal?</li> <li>• Shortness of breath</li> <li>• Muscle aches or pains not explained by exercise or activity</li> <li>• Decrease in sense of smell or taste</li> <li>• New runny nose</li> <li>• Sore throat</li> <li>• Nausea or vomiting</li> <li>• Diarrhea</li> </ul>	
<b>Yes, my child has at least one of those symptoms</b>	<b>No, my child is sick, but does not have any of the symptoms listed above.</b>

Your child should isolate at home, and not go to school until they have seen a healthcare provider.

Your child may need to get tested for COVID-19.

**Students may return to school when:**

- At least 10 days has passed since the first symptom appeared, symptoms have improved, and there has been no fever for at least 24 hours without the use of fever reducing medication. OR
- Students have a note from a healthcare professional containing another diagnosis. OR
- Students have a negative COVID-19 test.

Keep children home until they have been symptom free for 24 hours.

See a doctor right away, if your child does not seem to be getting better or is getting worse.

## Information from Superintendent Madden:

Yesterday afternoon, Salt Lake City Mayor Erin Mendenhall made an announcement moving Salt Lake City to the "Yellow" phase of Utah's COVID-19 recovery plan. Please know this does not change our plan to start the year with remote learning. Our Board of Education voted on the following parameters for returning to in-person learning:

- New COVID-19 cases need to fall below 10 new cases per 100,000 citizens in Salt Lake County.
- The COVID-19 positive test rate needs to be below 5% in Salt Lake County.

We still haven't met those parameters. Currently, Salt Lake County is at 13.3 cases per 100,000 citizens, and the COVID positive test rate is currently at 8.95%, according to the Salt Lake County Health Department.

We are looking forward to seeing students online on Tuesday, and I have a few updates for you as the start of school draws closer.

## **CANVAS VIDEOS FOR PARENTS**

We have uploaded some videos we hope will be helpful in learning how to use Canvas. These videos come from the Canvas website, and while the narration is in English, we have been able to translate the subtitles/closed captions into Spanish.

- There are three videos, but there are two versions of each video, one with English subtitles and one with Spanish subtitles:
  - [Canvas Parent Account Setup-English subtitles](#)
  - [Canvas Parent Account Setup-Spanish subtitles](#)
  - [Canvas Parent Overview-English subtitles](#)
  - [Canvas Parent Overview-Spanish subtitles](#)
  - [Canvas Parent Mobile App-English subtitles](#)
  - [Canvas Parent Mobile App-Spanish subtitles](#)

If you can't see the subtitles/close captions when you first start playing the videos, be sure to click on the "CC" button in the controls just below the video.

If you don't want to watch a video, we have also created a written Canvas Guide for parents. It is also available in English and Spanish

- [Parent Guide to Canvas](#)
- [Guía para los padres sobre Canvas](#)

## **CENSUS REMINDER**

Your participation in the 2020 Census is important to our schools and students. An accurate census provides increased funding for our schools, including funding for

- high poverty schools,
- student meals,
- adult education, and
- preschool education.

If you have not yet responded to the 2020 Census, you can fill out the Census online by going to <http://my2020census.gov>. **The 2020 Census ends on September 30, 2020.**

## **FOOD FOR FAMILIES**

Title I schools in Salt Lake City School District will be working with the Utah Food Bank to keep an in-school pantry going for their school families this year. Please refer to your school for more information about the school food pantries. These school pantries are intended ONLY for their school communities.

Our Community Learning Centers will distribute food for families twice a month. Everyone is welcome to come get food from our community learning centers. Here are the dates and times for September:

- **Thursday, September 3**  
Liberty Community Learning Center (1078 S. 300 E., Salt Lake City, Utah)  
3:00 – 6:00 pm
- **Thursday, September 10**  
Glendale Community Learning Center (1388 S. Navajo Street (1340 W.) , Salt Lake City, Utah)  
2:00 – 4:00 pm
- **Wednesday, September 16**  
Rose Park Community Learning Center (1105 W. 1000 N., Salt Lake City, Utah)  
4:00 – 6:00 pm
- **Thursday, September 17**  
Liberty Community Learning Center (1078 S. 300 E., Salt Lake City, Utah)  
3:00 – 6:00 pm
- **Thursday, September 24**  
Glendale Community Learning Center (1388 S. Navajo Street (1340 W.), Salt Lake City, Utah)  
2:00 – 4:00 pm
- **Wednesday, September 30**  
Rose Park Community Learning Center (1105 W. 1000 N., Salt Lake City, Utah)  
4:00 – 6:00 pm

### **MEALS FOR STUDENTS**

Thanks to a last-minute waiver granted by the United States Department of Agriculture, the Salt Lake City School District (SLCSD) will once again resume "Grab and Go Meal Service" at 16 designated school sites. Children can receive a "Lunch Today, Breakfast Tomorrow" combo meal each weekday from Sept. 3, 2020 through Oct. 30, 2020.

To help ensure safety, all meals will be prepared, packaged and delivered by SLCSD staff directly to each family's vehicle. For those without a vehicle, walk-up service is also available. Meals for those with specific needs will be made available upon request. Contact our registered dietician, Brianna Hardisty, to determine site location and make additional arrangements, as needed ([Brianna.Hardisty@slcschools.org](mailto:Brianna.Hardisty@slcschools.org)).

This food service program is open to the public. Free/reduced meal benefit status and school enrollment is not a requirement. These meals will be provided daily, free of charge, to ALL children ages 0 to 18.

### **Student Meal Sites:**

- **Backman Elementary (South Parking Area – Enter from 1500 West)**  
601 North 1500 West, Salt Lake City, Utah
- **Clayton Middle (Southeast Parking Area – Located by front doors)**  
1470 South 1900 East, Salt Lake City, Utah
- **East High School (West Parking Area – Enter from 900 South)**  
840 South 1300 East, Salt Lake City, Utah
- **Edison Elementary (U-shaped Driveway – Located in front of school)**  
430 South Cheyenne Street, Salt Lake City, Utah
- **Escalante Elementary (West Parking Area - Enter from 900 North)**  
1810 West 900 North, Salt Lake City, Utah
- **Glendale Middle School (Northwest Parking Area)**  
1430 West Andrew Avenue, Salt Lake City, Utah
- **Highland High School (East Parking Area – Located next to main entrance)**  
2166 South 1700 East, Salt Lake City, Utah

- **Liberty Elementary (Southeast Parking Area)**  
1085 South 300 East, Salt Lake City, Utah
- **M. Lynn Bennion Elementary (Parking Area – Located next to loading docks)**  
429 South 800 East, Salt Lake City, Utah
- **Meadowlark Elementary (Northeast Parking Area)**  
497 North Morton Drive, Salt Lake City, Utah
- **Nibley Park School (Main Entrance - Driveway)**  
2785 South 800 East, Salt Lake City, Utah
- **Northwest Middle (Northeast Parking Area – Located next to main entrance)**  
1730 West 1700 North, Salt Lake City, Utah
- **Parkview Elementary (Northwest Parking Area)**  
970 South Emery Street, Salt Lake City, Utah
- **Rose Park Elementary (West Parking Area – Located next to main entrance)**  
1105 West 1000 North, Salt Lake City, Utah
- **West High School (U-shaped Driveway – Located North of building next to cafeteria entrance)**  
241 North 300 West, Salt Lake City, Utah
- **Whittier Elementary (North Parking Area – Enter from Roberta Street)**  
1600 South 300 East, Salt Lake City, Utah

#### **PPE GUIDELINES**

We have received many questions about face shields and masks when meeting with other employees or families and students. According to the Mask Order issued by Utah Governor Gary Herbert and the Utah Coronavirus Task Force,

- To be the most effective, teachers and school employees need to wear face masks when meeting with other employees or families and students.
- Face shields are not a substitute for face masks but may be used in addition to a face mask.
  - Certain exceptions may be made based on individual student learning needs.
- A cloth face covering can be used as a face mask if it:
  - Covers the nose and mouth without openings that can be seen through
  - Is made of synthetic or natural fabrics
  - Secures under the chin
  - Fits snugly against the nose and sides of the face
  - Does not have an exhalation valve or vent
- You can find the Governor’s Mask Order at [https://coronavirus-download.utah.gov/Health/Mask\\_Order\\_FAQ.pdf](https://coronavirus-download.utah.gov/Health/Mask_Order_FAQ.pdf).

#### **REMOTE LEARNING RESOURCES**

We have created a webpage where we have posted links designed to help parents and students navigate online learning. The page has links to learning resources, Canvas videos for parents, information on Digital Citizenship, and information on how to access technical support.

[The page can be found at this link](#) or by going to [www.slcschools.org](http://www.slcschools.org) and clicking on the blue “Remote Learning Resources” button on the right-hand side of the page.

### Superintendent's Message 2020-08-27

Posted: Thu. 08-27-2020 - 04:38 PM

Dear families,

Welcome to the 2020-21 school year. While classes don't officially start until Tuesday, September 8, it's been wonderful to see many of you on our campuses this week. Moving forward, I wanted to let you know we will be sending weekly emails to you on Thursday.

## STUDENT COMPUTERS UPDATE

We know there are a lot of questions about student devices. Demand for student devices has been extremely high. We have checked out 50-60% more devices than what was requested by parents during Online Registration. Global supply chain delays also mean that 6,000 laptops are on back order.

We know some of our schools have run out of devices, but the district is working with suppliers to send us about 1,300 devices **next week**, and more will be coming in the following weeks. School will contact families when devices arrive, **but the soonest they will start arriving is next week.**

I have been impressed by many of the ways our schools are reaching out to families. The small group meetings; the parent and student orientations, some outside on football fields or playgrounds; the school parades; and especially the home visits are really making a difference. I know the work is hard, but it is worth it. I can't wait for school to start next week.

Sincerely,

Larry Madden  
Interim Superintendent  
Salt Lake City School District
