

# Board Policy S-10 School Fees Schedule

2023-2024

## HIGH SCHOOLS - UHSAA ACTIVITIES

GENERAL INFORMATION
1. The maximum annual amount that a student may be charged is \$3,500.00.
2. All fees listed are the maximum amount charged per student for each class or school-sponsored activity. Actual amount charged may be less.
3. Any payment for student participation in a class, program, or activity is a fee and is subject to the fee waiver requirement. For information on fee waivers and other details, contact your school administrator.
4. All students are responsible to pay for any loss, breakage, or damage they cause to school property. Loss breakage, or damage is not subject to the waiver requirement.
5. Donations are permissible in both elementary and secondary schools, but all such requests are voluntary. A student may not be excluded from an activity or program because they did not make a donation.
6. The district does not allow required individual student fundraising. Students may be required to participate in group fundraising.

DEFINITION
Spend Plans: An explanation of how the district uses the collected fees, including fundraising monies. Spend plans will be noted at the beginning of each section or parenthetically after the fee name/type.

**\*Group Fundraising activities vary by school and are strongly encouraged. Amounts raised through fundraising are not guaranteed, but will lower out-of-pocket costs.**
